

UFS40J

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	ufs-40-j
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Horsepower	40
Signal Level	230 V

Description

The UFS40J from MITSUBISHI is an efficient product designed to handle motors with a power of 40. Its signal level is 230, ensuring optimal performance in various industrial applications. The UFS40J is an ideal solution for systems requiring high efficiency and reliability.
