

UVTSD048-05SVRFSU30

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	uvtsd048-05svrfsu30
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

LVS | MCCB Accessories | Under voltage trip. DC 24/48V, 0,5/1,0/3,0 s, Synch, Right 4P, Terminal.
