

23002

Industrial automation components

Manufacturer	Murr Elektronik
Catalog number	23002
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	1.86 kgs
Hardness	3
Temperature	10
Power	10
Cooling Capacity	10
Cable Specification	3 × 400
Product Type	Motor
Power Supply Type	AC

Description

Ogranicznik przepięć; -20÷60°C; 3x400VAC
