

4000-68000-0970000

Industrial automation components

Manufacturer	Murr Elektronik
Catalog number	4000-68000-0970000
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.14 kgs
Voltage	48 V
Interface Type	rj45
Power Supply Type	AC
Signal Type	48
Signal Level	48 V

Description

Interfejs panelowy; MODLINK MSDD
