

4000-68000-1200000

Industrial automation components

Manufacturer	Murr Elektronik
Catalog number	4000-68000-1200000
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.01 kgs
Voltage	30 V
Interface Type	rj45
I/O Channels	2 channels
Signal Type	30
I/O Configuration	2
Signal Level	30 V
Relay Specifications	30 VAC

Description

MODLINK MSDD DATA INSERT 2×RJ45
