

900-STX-CDHD-0202APB0-ST

Industrial automation components

Manufacturer	Omron
Catalog number	900-stx-cdhd-0202apb0-st
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Servotronix servo drive 2A, 120/240 VAC Power Block, ST0
