

AX-FER2515-RE

Industrial automation components

Manufacturer	Omron
Catalog number	ax-fer2515-re
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	1.36 kgs
Cooling Capacity	15
Power	15
Component Specifications	fer2515

Description

Ferrite choke, 25mm diameter, for 15kW inverters and below
