

CP1E-N60DT1-A

Industrial automation components

Manufacturer	Omron
Catalog number	cple-n60dt1-a
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.91 kgs
---------------	----------

Description

PLC, 100-240 VAC, 36 x 24 VDC inputs, 24 x PNP outputs 0.3 A, 8K steps program memory, 8K words data memory, RS-232C port
