

F300-KP

Industrial automation components

Manufacturer	Omron
Catalog number	f300-kp
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	0.14 kgs kg
---------------	-------------

Description

The F300-KP is an advanced industrial device weighing 0.14 kg, designed for reliability and efficiency in various applications. Its compact design makes it ideal for integration in limited spaces. With high-quality construction, the F300-KP ensures long-lasting performance in challenging industrial environments.
