

SGLFW-1ED380-BP

Industrial automation components

Manufacturer	Omron
Catalog number	sglfw-1ed380-bp
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	6.4 A
Power	1800
Product Type	Motor
Signal Level	400 V

Description

Sigma linear motor coil, F-type iron core, 380mm, 400 VAC, with hall sensor
