

SGLFW-50A200-BPD

Industrial automation components

Manufacturer	Omron
Catalog number	sglfw-50a200-bpd
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Sigma linear motor coil, F-type iron core, 200mm, 400 VAC, with hall sensor, interconnectron connector
