

NBB10-30GM50-E2-V1

Industrial automation components

Manufacturer	Pepperl+Fuchs
Catalog number	nbb10-30gm50-e2-v1
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.07 kgs
Thread	Threaded
Diameter	30mm dia.
Material	Metal (SS or ni-plated brass)
Electrical Output	3-wire / DC / PNP / N.O.
Connection Elements / Additional Info	M12x1 plug-in receptacle / DC sensors
Cylindrical Threaded Length	50mm thread length
Sensing Range	10mm sensing range

Description

INDUCTIVE SENSOR, M30, 10MM RANGE FLUSH, PNP NO, M12 CONNECTOR
