

NBB10-30GM50-WS

Industrial automation components

Manufacturer	Pepperl+Fuchs
Catalog number	nbb10-30gm50-ws
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.28 kgs
Cylindrical Threaded Length	50mm thread length
Diameter	30mm dia.
Electrical Output	2-wire / AC / N.O. (Reverse Polarity Protected)
Thread	Threaded
Material	Metal (SS or ni-plated brass)
Sensing Range	10mm sensing range

Description

INDUCTIVE SENSOR, M30, 10MM RANGE FLUSH, 2 WIRE AC NO, 2M PVC CABLE
