

UB500-F42-I-V15

Industrial automation components

Manufacturer	Pepperl+Fuchs
Catalog number	ub500-f42-i-v15
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.16 kgs
Voltage	10 - 30 V
Component Specifications	ub500
Thread Specification	metric 12 × 1
Measurement Range	30 - 500
Product Type	Sensor
Signal Type	30
Signal Level	30 V

Description

Pepperl + Fuchs Ultrasonic Block-Style Proximity Sensor, 30 → 500 mm Detection, Analogue Output, 10 → 30
