

UC250-F77-EP-IO-V31

Industrial automation components

Manufacturer	Pepperl+Fuchs
Catalog number	uc250-f77-ep-io-v31
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Component Specifications	uc250
Measurement Range	20 - 250
Signal Type	30
Voltage	10 - 30 V
Thread Specification	metric 8 × 1
Product Type	Sensor
Signal Level	30 V
