Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Brand	Phoenix Contact
Part Number	DVG-OPC5319 039 AC AA.03
Product Type	Operator Panel
Category	Podzespoły automatyki przemysłowej

Description

The Phoenix Contact DVG-OPC5319 039 AC AA.03 is a used industrial automation component designed for seamless integration into control systems. Manufactured by Phoenix Contact, a leader in industrial automation solutions, this device offers reliable performance for various applications.

Its compact design ensures efficient space utilization within control panels. The device is engineered for durability, capable of withstanding the rigors of industrial environments. Its user-friendly interface facilitates straightforward operation and maintenance.

This component is ideal for applications requiring robust and dependable control solutions.
