

IB IL 24 DI 4-PAC

Industrial automation components

Manufacturer	Phoenix Contact
Catalog number	ib-il-24-di-4-pac
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.07 kgs
---------------	----------

Description

IB-IL-24-DI-4-PAC | Phoenix Contacts, Digital Input Terminal, 24 to 30 V dc, 3 A, 71.5 x 12.2 x 140.5 mm | Brand / Manufacturer: Phoenix Contact | product type: Digital Input Terminal | number of contributions: 4 | type of contribution: Digital | input current: 3 A | output current: 40 mA | supply voltage: 24 to 30 V dc
