

QUINT-PS-100-240AC/24DC/10

Industrial automation components

Manufacturer	Phoenix Contact
Catalog number	quint-ps-100-240ac24dc10
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	1.40 kgs
Voltage	100 - 240 V
Signal Type	240
Signal Level	240 V
Relay Specifications	240 VAC
Current	10 A
Frequency	50 - 60 Hz
Power Supply Type	AC

Description

QUINT-PS-100-240AC/24DC/10 | DIN rail power supply unit 24 V DC/10 A, primary switched-mode, 1-phase | Brand / Manufacturer: Phoenix Contact | mass: 1.3
