

FR531

Industrial automation components

Manufacturer	Pizzato Elettrica
Catalog number	fr531
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.14 kgs
Voltage	500 V
Component Specifications	fr531
Product Type	Switch
Signal Level	500 V

Description

Wyłącznik krańcowy; dźwignia obrotowa z rolką; NO + NC; 10A
