

5714C

Industrial automation components

Manufacturer	Pr Electronics
Catalog number	5714c
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	230 V
Signal Level	230 V
Relay Specifications	230 VAC
Dimensions	∅ 48 mm
Cable Specification	48 × 96
Power Supply Type	AC
Signal Type	230
