Ask about this product

Manufacturer	Rittal
Catalog number	sk3384500
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Cooling Capacity	1,500 W (5,091 BTU/h)
Supply Voltage	230 V AC
Controller Type	e-Comfort controller
Condensate Evaporation	Electric
Condenser Coating	RiNano
Dimensions	417 mm x 597 mm x 475 mm
Weight	41 kg

Description

The Rittal 3384500 is a roof-mounted cooling unit designed to efficiently manage heat and humidity within enclosures. Part of Rittal's TopTherm Blue e series, this unit offers a cooling capacity of 1,500 W (5,091 BTU/h) and operates on a 230 V AC supply voltage.

It features an e-Comfort controller for precise temperature regulation and includes an electric condensate evaporation system. The condenser is coated with Rittal's RiNano technology to enhance durability and prevent corrosion.

With dimensions of 417 mm in height, 597 mm in width, and 475 mm in depth, and a weight of 41 kg, the 3384500 is suitable for installations in environments where space is limited. Its robust construction ensures reliable performance in demanding industrial settings.
