

SRB324ST

Industrial automation components

Manufacturer	Schmersal
Catalog number	srb324st
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Thread Specification	metric 20 × 1.5
Power Supply Type	AC
Relay Specifications	24 VAC
Frequency	50 - 60
Product Type	Relay
Signal Type	24
Signal Level	24 V
