

140CPU11302C

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	140cpu11302c
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	0.52 kgs kg
---------------	-------------

Description

The 140CPU11302C module from Schneider, weighing 0.52 kg, is an advanced solution in the field of industrial automation. Its design ensures high performance and reliability in various applications. With its compact dimensions, this module is ideal for integration into control systems.
