

18671

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	18671
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Component Specifications	ng125n
Current	125 A
Relay Specifications	125 A

Description

Wyłącznik nadprądowy NG125N-D125-3 D 125A 3-biegunowy
