

18727

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	18727
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	32 A
Component Specifications	ng125h
Relay Specifications	32 A

Description

Wyłącznik nadprądowy NG125H-C32-3 C 32A 3-biegunowy
