

18802

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	18802
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Component Specifications	rs232
Interface Type	rs232
Product Type	Relay
Current	25 A
Relay Specifications	25 A

Description

Wyłącznik nadprądowy NG125L-C25-3 C 25A 3-biegunowy
