

3586

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	3586
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	208 - 230 V
Speed (RPM)	1075 RPM
Horsepower	3 HP
Measurement Range	208 - 230
Product Type	Drive
Signal Type	230
Signal Level	230 V

Description

Poprzeczki boczne 2szt. 200x 600mm
