Manufacturer	Schneider Electric
Catalog number	531775
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Brand	Schneider Electric
Part Number	531775
Packaging Length	8.44 inches
Packaging Weight	4.839 pounds
Packaging Material	Recycled cardboard
Environmental Compliance	EU RoHS Directive

Description

The Schneider Electric 531775 is a component designed for industrial automation applications. Specific technical specifications are not readily available. The product is packaged in a box measuring 8.44 inches in length and weighing approximately 4.839 pounds (2.195 kg). The packaging is made with recycled cardboard, aligning with Schneider Electric's commitment to sustainability. The product is compliant with the EU RoHS Directive, indicating it meets environmental standards for hazardous substances. For detailed technical specifications, please refer to the product datasheet.
