

A9N26476

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	a9n26476
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Signal Type	415
Signal Level	415 V
Relay Specifications	415 VAC

Description

Wyzwalacz wzrostowy; boczny, na szynę DIN; 100÷415VAC
