

ABL6TS250G

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	abl6ts250g
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	230 - 400 V
Measurement Range	230 - 400
Signal Level	400 V
Product Type	Transformer

Description

Transformator napięcia 1x115V 2500VA
