

ATV-21HD30N4

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	atv21hd30n4
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	15.88 kgs kg
---------------	--------------

Description

The ATV-21HD30N4 is an advanced industrial drive weighing 15.88 kg, designed for efficiency and reliability in demanding working conditions. Its robust construction ensures long-lasting performance, while the technologies employed guarantee optimal operation across various applications.
