

ATV930D30Y6

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	atv930d30y6
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	9,525.43 kgs
Component Specifications	atv900
Product Type	Drive
Signal Level	500 V
Power	30
Cooling Capacity	30

Description

Altivar 930 IP00 30kW 500V/690V
