

BMXDD03202K

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	bmxdd03202k
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

BMXDD03202K | Telemecanique, M340 Series, I/O Module, 32 Inputs, 32 Outputs, 24V dc | Brand / Manufacturer: Telemecanique | product type: I/O Module | series: M340 | number of contributions: 32 | number of results: 32 | type of contribution: Discrete | supply voltage: 24 V dc
