

BMXDDI1602H

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	bmxddi1602h
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.91 kgs
Voltage	24 V
Product Type	Module
Signal Type	24
Signal Level	24 V

Description

Moduł wejść cyfrowych 16 wejść 24 VDC logika ujemna
