

BMXDD01602H

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	bmxddo1602h
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
Voltage	24 V
Product Type	Module
Standards	iec_61131_2
Signal Type	24
Signal Level	24 V
Relay Specifications	24 VAC
Current	0.5 A

Description

Moduł wyjść cyfrowych 16wy Tranzystor Logika
