

BMXERT1604T

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	bmxert1604t
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
Voltage	24 - 125 V
Measurement Range	24 - 125
Product Type	Module
Signal Level	125 V

Description

Wielofunkcyjny moduł 16WE 24/24..125V
