

BMXNOM0200H

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	bmxnom0200h
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
Interface Type	modbus
Product Type	Module
Signal Type	24
Signal Level	24 V

Description

H Bus Module 2 RS485/232 ports
