

C103TM050

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	c103tm050
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	50 A
Component Specifications	nsx100
Manufacturer	Schneider
Relay Specifications	50 A

Description

Wyzwalacz termomagnetyczny; Iznam: 50A; 690VAC; IP40; -25÷70°C
