

C163TM125

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	c163tm125
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	125 A
Component Specifications	tm125d
Relay Specifications	125 A

Description

Wyzwalacz termomagnetyczny; Bieguny: 3; 125A; NSX; IP40; -25÷70°C
