

DF103V

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	df103v
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Voltage	400 V
Current	32 A
Component Specifications	df103v
Signal Type	400
Signal Level	400 V
Relay Specifications	32 A

Description

The DF103V relay from Schneider Electric is designed to operate at a voltage of 400V and a current of 32A. Its component specification and signal level are both 400, making it an ideal solution for applications requiring reliability and precision. This relay features high-quality construction, ensuring long-lasting and efficient performance in challenging industrial environments.
