

DF10N

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	df10n
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	690 V
Current	32 A
Power Supply Type	AC
Signal Type	690
Signal Level	690 V
Relay Specifications	690 VAC

Description

Podstawa bezpiecznikowa; na szynę DIN; Bieguny: 1
