

DF141V

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	df141v
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	50 A
Component Specifications	df141v
Signal Type	600
Signal Level	600 V
Relay Specifications	600 VAC

Description

Podstawa bezpiecznikowa; na szynę DIN; Bieguny: 1
