

GS2AE2

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	gs2ae2
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Measurement Range	50 - 400
Relay Specifications	400 A
Current	50 - 400 A

Description

Przedłużenie dźwigni 10x10 320mm 50-400A
