

GV2L20

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	gv2l20
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	600 V
Current	18 A
Product Type	Motor
Signal Type	600
Signal Level	600 V
Relay Specifications	600 VAC

Description

Wyłącznik silnikowy; 7,5kW; 230÷690VAC; na szynę DIN; IP20; LRD21
