

GV2L32

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	gv2l32
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	690 V
Current	32 A
Frequency	50 - 60 Hz
Product Type	Motor
Signal Type	690
Signal Level	690 V
Relay Specifications	690 VAC

Description

GV2L32 | Schneider, Motor Protection Circuit Breaker, 3 Pole, 32 A, 690 V ac, 50 kA | Brand / Manufacturer: Schneider | product type: Motor Protection Circuit Breaker | number of bars: 3 | current rating: 23 to 32 A | rated voltage: 690 V ac | type of attachment: Screw Mount | power off: 50 kA | protection functions: Motor Protection | release: Magnetic
