

GV2RT21

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	gv2rt21
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Current	17 - 23 A
Component Specifications	pk20335b
Measurement Range	17 - 23
Manufacturer	Schneider
Relay Specifications	23 A

Description

Wyłącznik silnikowy; 9/11kW; 230÷690VAC; na szynę DIN; IP20
