

GVAU226

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	gvau226
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	220 - 240 V
Frequency	60
Measurement Range	220 - 240
Product Type	Motor
Signal Type	240
Signal Level	240 V

Description

Wyzwalacz podnapięciowy
