

ILE1R661PC1A0

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	ile1r661pc1a0
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.82 kgs
Voltage	24 V
Speed (RPM)	4000 RPM
Interface Type	rs485
Product Type	Motor
Component Specifications	rs485
Signal Level	36 V

Description

Serwosilnik ILE1R 24...36V RS485 0.26Nm
