

ILP2R573MC1A

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	ilp2r573mc1a
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	2.06 kgs
Component Specifications	rs485
Interface Type	rs485
Product Type	Drive
Signal Type	48
Signal Level	48 V
Voltage	24 - 48 V
Current	1 A
Torque	1.44 Nm

Description

Silnik Lexium 2-fazowy 1.44Nm 48VDC
