

IMD-IM20

Industrial automation components

Manufacturer	Schneider Electric
Catalog number	imd-im20
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.11 kgs
Signal Type	415
Signal Level	415 V
Relay Specifications	415 VAC
Voltage	110 - 415 V

Description

VIGILOHM IMD-IM20
